

Cabaret Stage Technical Info

The Motley Cabaret Stage is a more intimate and open stage located on the first floor of the venue, adjoining the visual art gallery. It has its own dedicated bar (staffed for some events but not all, please discuss at time of booking) and can accommodate flexible seating arrangements.

Accessibility: Up a flight of carpeted stairs (not wheelchair accessible), non-gendered bathrooms at the other end of the gallery

Capacity: Between 44-60pax depending on seating arrangement (see diagrams below)

Stage Dimensions: 1.2m deep x 3.2m wide plywood raised stage, 23cm high, 2.3m to ceiling

Backdrop: Plain black painted wall with black side curtains, pull down white projection screen

Green room: Greenroom at the side, through a curtain and door
